

Sixty=Fifth Annual Session of the

## TEXAS GONFERENCE

Methodist Episcopal Church, South

BISHOP E. E. HOSS, D. D., Dallas, Texas.

REV. J. W. DOWNS, Secretary, Henderson, Texas.

Held at Marshall, Texas
Nov. 30 to Dec. 5, 1904

#### EDITOR'S NOTES.

Brethren: I am giving you the minutes as early as careful work and close, critical examination of necessary details will allow.

Every line of the work had to be rewritten before it could go to

the printer.

The work is in every particular correct as it came to me from the Secretary's minutes, with the exception of one figure only. And only two errors are noticeable—first, L. A. Humphreys is reported as having been elected a deacon, when in fact he was elected and ordained in 1899, but the printed minutes do not show his ordination, yet the Journal of 1899 shows he was ordained that year; second, question 15, as printed in the minutes, is really question 18.

The additions to the various Boards were not noted until the

directory was already in print. They are as follows:
Board of Education—J. T. McClure, T. A. Mercer, Daniel Walker.

Epworth League Board—J. W. Bergin, vice J. G. Pollard, removed.

The following supplies for Beaumont District have been sent me

since the appointments went to print:

Warren P.O. Warren Mission J. M. Holt, B. C. Rausch, Wallisville P. O. Wallisville S. H. Allison, Call

I regret very much that I could not obtain cuts of Bishop Hoss and of First Church, in Marshall, for the Minutes, but my efforts were unsuccessful. No pictures could be had from which the cuts could be made, and the only cut of Bishop Hoss that could be obtained was in use by another Conference.

If there are any errors in the Statistical Tables, the closest, most careful scrutiny failed to discover it. We gave every word and figure in the book three careful proof-readings.

A copious index will be found on page 69.

#### REPORTS OF BOARDS, COMMITTEES, RESOLUTIONS.

#### Editor's Report.

DEAR BRETHREN:—The cost of the publication of our minutes of our last year's Conference was as follows:

Printing	2 S0 15 91
Total	\$321 21
CASH RECEIVED.	
Conference Boards Advertising	\$270 00 10 00
Total	\$280 00
Balance Unpaid	\$41 21

The delay in the issuance of the minutes was occasioned by circumstances impossible for me to control. Added to this, the money appropriated to defray the expense was inadequate. The bulk of the minutes were delivered without cost to the Conference, but the delivery could not be promptly made, and some delay resulted. No advertising of consequence could be secured within the time allowed to obtain it.

A contract for the prompt printing of the minutes of the present Conference has been made with a reliable company, and the delivery of the minutes can be made by the middle of January next. The work will be of

the very best, and the price is the lowest obtainable.

I ask the Conference for an appropriation of \$414.00, to be assessed by the Board of Finance against the several Boards, to pay for the printing and delivery of the minutes, and to pay the deficit of last year. I return my thanks to all the brethren for their kindness and ready assistance.

Fraternally,
Gus Garrison, Editor.

#### Resolution Relating to Conference Claimants.

WHEREAS, more than one-fifth of the financial strength of the old Texas Conference went with the Austin District to the West Texas Conference, and

WHEREAS, The Chairman of our Joint Board of Finance ruled two years ago, at Crockett, and his ruling was sustained by Bishop Hendrix, that, "in equity the nine claimants now being in the Austin District should be ceded with the territory, but legally they will continue to be claimants on the Greater Texas Conference." Therefore,

Resolved, That it is the sense of this Conference that about one-fifth of the Conference Claimants of the old Texas Conference should be claimants on the West Texas Conference.

Resolved 2, That Bro. A. C. Biggs be appointed a committee of one to

confer with the West Texas Conference at its next session, in order to effect an equitable adjustment of this matter.

JOHN ADAMS, SETH WARD, J. B. COCHRAN. J. T. SMITH.

#### Report of Board of Education.

Your Board of Education has had before it reports and representatives from the various educational institutions with which this Conference is connected, Vanderbilt University excepted, and reports as follows: We are gratified with the report of the General Board of Education, in which an exhibit is made of its financial prosperity, and from which we learn that there has been an average annual increase since the year 1900 of \$11,272.77 in the regular contributions to the work, and an increase during the same period in the value of buildings and grounds of \$2,272,945; in endowments, of \$504,711; in pupils, of 9,287, and in teachers of 360. Five Secondary Schools have met the requirements of the Board, and have been given college standing.

The Vanderbilt University continues to do excellent work for the church, and slowly moves onward toward greater things. The work done for the under-graduates in the Conference is beneficial to the church, and will doubtless strengthen the school in the hold upon the preachers of the entire connection.

Our Southwestern University at Georgetown is in the best condition for permanent success it has ever been, and its educational standards command the respect of college men. With a growing endowment, with an increase in professors, in special Chairs and equipment, it is in a most hopeful condition, and should receive the warmest sympathy and support of the church. The Summer Theological Institute has done excellent work, and seems to be on a permanent footing. The Medical Department at Dallas has made a fine start, and bids fair to succeed on a large scale. We heartily endorse the efforts that are projected to secure suitable buildings and equipment for this department, and assure the new Commissioner of Education. Rev. John R. Nelson, of our sympathetic co-operation.

We most heartily approve the project for a new boarding department

for boys at S. W. U., and pledge our co-operation.
We strongly commend the work done by our efficient Commissioner of

Education, Bro. Jas. Kilgore, and earnestly request his reappointment at

the hands of the Bishop.

Alexander Collegiate Institute has taken a new life under its new management, with Rev. W. K. Strother as its principal. The capacity of this institution is crowded to its utmost, and we note with pleasure the interest Jacksonville is taking for a new building, having subscribed in the last few days \$5,000; with a prospect of making it \$2,000 more. A new building is absolutely necessary if this school does the work that is open Your Board recommends that it be the policy of this Conference to raise \$4,000, to be invested in a new building to cost approximately \$20,000.00, according to plans which have been before us, and that we levy an assessment from year to year until the \$4,000.00 has been raised; provided that this money be held by the Treasurer of this Board until the building is assured, and with this amount paid on said building, it shall be free from debt.

We recommend the appointment of a suitable person as financial agent of this school, and the election of the following Trustees: S. R. Hay, to succeed himself; W. W. Watts, in place of W. F. Davis, resigned; J. W. Downs, in place of A. J. Weeks, transferred, and W. T. Graham, in place

of J. D. Campbell, whose term has expired.

Chappell Hill Female College.—The Trustees of this institution furnish a gratifying report under the presidency of Prof. J. E. Willis, assisted by a competent faculty. Some needed repairs have been made in the building, and the general condition of the property improved. The patronage is reasonably good. The present session bids fair to be a successful one.

We recommend the appointment of Rev. J. E. Green as financial agent of this school, and the confirmation of the following Trustees: T. A. Mercer, E. L. Ford and H. C. Brandt.

We have elected the following, to be added to the Board of Education:

J. T. McClure, T. A. Mercer and Daniel Walker.

We recommend that the Bishop appoint Rev. V. A. Godbey Conference Secretary of Education.

The following resolution was adopted by your Board, and this Confer-

ence is asked to concur in the same:

Resolved, That each year one member be retired from his position as a Curator in Southwestern University. and two Trustees annually from the Alexander Collegiate Institute, and Chappell Hill Female College.

Resolved, That the rule for retirement shall remove (1) those holding the position the longest, and (2) in the event this should apply to a number at the same time, the alphabetical order be used to determine the action of the Board, following the order of the alphabet in removing them. And at the discretion of the Board approving such Trustees again, and the Bishop replacing Curator whom this rule may displace.

and the Bishop replacing Curator whom this rule may displace.

Provided, nevertheless, That when the required number of vacancies occur by death, transfer or otherwise, this rule shall not be applied until

necessary to create the vacancy as indicated. We recommend the following assessments:

\$ 534	00
534	00
200	00
1,000	00
500	00
\$5 428	00
	534 2.600 200 1,000

Respectfully Submitted,

W. K. STROTHER, Secretary.

B. H. GREATHOUSE,
President.

The following parsonages have received donations, viz.: Durango, \$50; Franklin, \$75; Bay City, \$150; Woodville, \$50; Livingston, \$50; Corrigan, \$75, making a grand total raised by the Conference of \$15,-

727.03 for the year.

We shall expect greater things next year as a result of increasing co-operation of the ministers. Soliciting a continuance of your spiritual as well as your physical support, we respectfully submit this report. MRS. GEO. CALL, Cor. Sec'y.

#### Resolution as to Rev. R. W. Thompson.

WHEREAS, Bro. R. W. Thompson has been a member of this Conference for more than thirty years, and

WHEREAS, By his manly course he has gained the love and confidence of this body; therefore,

Resolved. That it is the earnest desire of this entire membership that he withdraw his request for a transfer to the North Texas Conference.

#### Woman's Foreign Mission Society Report.

DEAR BRETHREN:—Since our report to you one year ago, our work has been advancing some along all lines. Not so much as we desired, but that the growth is in all departments of our work, and not along any one line, leaving the remainder to languish, is indication of healthful growth.

Last year's report showed no auxiliaries in Pittsburg District, but each district this year reports an active part in the work. However, the Tyler District is doing very little—in fact, going backward—reporting this year

only one auxiliary.

Our increase is 13 auxiliaries, representing 109 members, 127 sub-

scribers to Little Worker, and 6 to W. M. Advocate.

More missionary literature is being read by the women of the Texas Conference than there was a year ago, and there was a corresponding increase of \$171.97 paid into the treasury, making a total of \$2,595.75.

Miss Ivey, our missionary candidate from Calvert, creditably finished the first year's course in Scarritt Bible and Training School last May, and

is there to complete the course this year.

Miss Rogers, our candidate from Marlin, finished the course at the Training School last May, and was received and consecrated at the meeting of the Woman's Board in Jacksonville, Fla., and has gone to her appointment in Soochow.

While we rejoice to make so good report, we must not fail to give

credit to all, especially to those pastors who have helped us.

Respectfully, MRS. C. A. HOOPER, Cor. Sec. Tex. Conf. W. F. M. S.

#### Report of Committee on Texas Methodist Orphanage.

We are glad to learn from Rev. W. H. Vaughan that the children are in good health, and that forty-nine children have been placed in private homes of good character.

Fifty-two children have been received in the home this year,

We do most heartily and truly appreciate the reappointment of Bro. W. H. Vaughan as Business Manager, and also the labors of Bros. R. W. Thompson, Abe Mulkey, A. J. Weeks and Geo. S. Sexton. whereby through their efforts donations have been secured so as to enable five of our orphan girls to be placed in school—one in the Southwestern University, one in Duglas Schuler (?) School, of Waco; one in San Marcos Normal, one in Sam Houston Normal, and one in the Denton Industrial. We feel that this special work in behalf of these girls will result in great good to them and a blessing to the generous donors.

Our Orphanage School is doing a fine work, one of our teachers being a graduate of Wofford (?) College, and (others are) well prepared for the work of teaching, which gives us a competent faculty.

The assessment of this Conference last year for the Orphanage was \$2,250.00, and the collections on same were \$2,344.75, making an excess of

We recommend the assessment of \$2,250.00 for the ensuing year on this Conference for the support of this institution.

We recommend that,

WHEREAS, The committee appointed at each annual Conference on the Orphanage are wholly without data, and for lack of information are unable to give the Conference the items of material use as to the condition and needs of the Orphanage; therefore, be it

Resolved, That this Conference raise a standing committee, to be known as the Texas Orphanage Committee, and to be composed of one from each Presiding Elder's district, to be elected on nomination of the Presiding Elders, and such committee shall serve the remainder of this quadrennium, and, therefore, shall be appointed for a term of four years successively.

Resolved, further, That we welcome our agents into our Conference in behalf of the Orphanage, and that they shall place all money collected in the hands of the pastors, who will send it to our Conference Treasurer for the Texas Methodist Orpanage. Respectfully Submitted,

A. A. Kidd, Sec'y.

#### Report of Committee on District Conference Records.

We, your Committee on District Conference Records, have carefully examined the records of each district, and would respectfully submit the following:

In the records of the Beaumont and Brenham Districts, the words "Methodist Episeopal Church, South," are omitted from the caption.

The Minutes of the Pittsburg District Conference fail to state whether an adjournment was had on the first and second days, otherwise these records are well and carefully kept.

The penmanship of the Huntsville District Record could be improved,

otherwise it is fairly well kept.

The Record of the Palestine District is neatly kept, but the President's name is not signed to the minutes.

The Marshall District Record is well written and neat. However, the word licensing is spelled "licensary."

The Houston and Calvert Districts Records' are well and accurately

The penmanship of the Tyler District Record should be improved, and more space given in beginning each paragraph.

A. A. WAGNON, See'y.

Respectfully Submitted, E. L. INGRUM, Chairman.

#### Report of Sunday-School Board.

We note with thankfulness the success that has attended our Sunday-School work during the year. From the General Minutes of 1903, we see that in our Surday-Schools we have an army of over one million workers engaged; and this we note is an increase over the previous year of more than fifty thousand. We also rejoice to see from the report of Dr. Atkins, our Sunday-School editor, there has been an increase in the circulation of our Sunday-School literature which is in accord with the increase in our Sunday-Schools. But while we rejoice in this prosperity and increase, we are convineed that our Sunday-Schools are not as well supplied with our literature as they should be. The statistics show that less than one-half of the officers and teachers in our Sunday-Schools take the Magazine, and while the Children's Visitor has a circulation of more than 85,000, this is less than one for every ten scholars. We believe the circulation of these two periodicals should be doubled, so that every teacher would have a Magazine, and a Visitor would go to the home of every one of our Sunday-School children.

WHEREAS, We are convinced that aggressive plans are needed for the development and expansion of our Sunday-School work; therefore, be it

Resolved, 1st, That we eo-operate with the other Texas Conferences in a plan which looks to the employment of a State Sunday-School Secretary.

2nd. That R. M. Kelly be appointed to represent this Conference on a committee composed of one from each of the four Texas Conferences, and one from the Publishing House at Dallas, said committee to have full control of all details in the development and furtherance of said plan in the interim of the sessions of the Annual Conferences.

3rd. That the Treasurer of our Board be instructed to retain all the Sunday-School funds left in his hands after paying what is due the General Sunday-School Board, the Board of Education, and \$25.00 for the printing of the Minutes of the Conference, for the furtherance of the Sunday-School work in the bounds of our own Conference.

4th. Pastors who wish assistance for needy Sunday-Schools must make application to the Treasurer of this Board, Brother J. T. Kirkpatrick.

The assessment by the Parent Board on the Texas Conference for the ensuing year is \$4,450.00, which has been apportioned to the several districts as follows: (See Table of Assessments, page 2, of the printed Minutes.

The Board passed the following resolution:

Resolved, Since we have tried in vain to get the brethren making application to us for aid to regard our rules as to the time they file their application with our Secretary, we hereby instruct the Secretary not to bring any applications to the Conference that he received later than thirty days previous to the meeting of the Annual Conference, for no application shall be considered that reaches us later than thirty days previous to the meeting of the Board at the meeting of the annual Conference.

#### Report of the Committee on Books and Periodicals.

Your Committee on Books and Periodicals is pleased to report that the exhibit from the book agents shows a gratifying and prosperous condition of our publishing houses at Nashville and Dallas The net sales from all the departments of both houses for the fiscal year ending March 31, 1904, shows an increase over the previous year of \$13,918.16. The report shows the total assets to be \$942,076 47, less \$12.447 48 liabilities, leaving a capital as per ledger of \$929,628.99. Anet gain over last year of \$51.351.02.

The establishment of a joint publishing house at Shanghi, China, by the efforts of the M. E. Church, and the M. E. Church, South, gives occasion

for great gratitude and hope. Of the \$50,000 ordered paid by our General Conference for this purpose, \$32 000 has been paid. We feel that this enterprise is a prophecy of the best things for China, which will be fulfilled in its evangelization and consequent revolution.

We note with great pleasure the hearty co-operation on the part of everybody with the branch house at Dallas: It is in safe hands, and is in

the beginning of a great career of usefulness.

The Christian Advocate, published at Nashville, maintains its high grade as the general organ of the Church. Its deserves a far wider circulation; no preacher can afford to be without it, and, so far as possible, should be

in every Methodist home.

The Methodist Review is one of the very best and most helpful periodicals of its kind issued by any Church on the globe. The preacher, and especially the young preacher, who fails to read it, is missing one of the best sources of instruction extant. We are glad to say that it is selfsustaining, but it should have a greatly increased circulation.

The Epworth Era is also in the class of self-sustaining periodicals, for which we have an occasion to be grateful. The Era has been increased in size, rendered more attractive in appearance, and we believe the subject

matter never quite so good.

The Sunday-School literature, in its character and mechanical features, is second to none, and continues to be our best and surest source of revenue.

The Go Forward continues to bring its cargo of latest and most inspiring information from our various mission fields, and can but quicken the

missionary interest and concsience wherever it goes.

Last, but not least, we come to the support of our own Texas Christian Advocate, the fairest of all the fair daughters of our Methodist literature. Under the wise leadership of Dr. G. C. Rankin, the Advocate is one of the best church news-gatherers which comes to any of our tables. Its editor continues to wield a mighty influence in all of the affairs of the day. We commend his brave and relentless warfare against the evils of the times, as well as his courageous stand for the principles which elevate and uplift. Many of his editorials contain the very kernel of the gospel. The report of the Joint Board of Publication indicates a healthy growth in the circulation, but it has not yet reached the place thatit ought to have in the hearts and homes of the Methodist people. It ought to have a circulation of at least 50,000 in the State of Texas. We believe that it is absolutely necessary for the development of Christian character that the very best of our literature be circulated among our people. Therefore, be it

Resolved. First. That we pledge our support to our publishing house at Dallas. Second. That we will be more diligent in placing good literature in the homes of our people. Third. We especially urge the importance of placing the Texas Christian Advocate in every Methodist home in Texas, G. E. CAMERON, Chairman.

J. B. TURRENTINE, Secretary.

#### Report of the Epworth League Board.

We are gratified to learn that during the Conference year the number of Leagues was increased from 82 to 101, these statistics including both Senior and Junior Leagues. We notice that in those charges which have live Leagues, the pastors have less difficulty than elsewhere in carrying on the work of the church, being enabled to bring into requisition trained

workers for all demands in their charges.

In view of the rapidly broadening fields for mission work now before our great church, and the inadequate appreciation on the part of the home church of her great opportunity, we commend for earnest consideration the "fourth department," established by the General Epworth League Board at its last session. It provides for the missionary education of our young people, whose spirit and temper is largely to determine the attitude of the church of to-morrow. It will develop among them

such missionary leadership as will make easy the greater missionary enterprises projected by our church.

Your Board makes the following recommendations:

1. That at the sessions of the several district conferences prominence be given the work of the Epworth League.

2. That the evening of the opening day of the Annual Conference be se

apart for a League Anniversary.

3. A wider circulation of the Epworth Era. The Era is a high-class newspaper, and is indispensable to high-class League work. Especially should it be in the hands of every pastor and every official of every local chapter.

4. That more attention be given the music in the League, and to make this part of the League service more beneficial and attractive; that every chapter select a musical director, who shall bring into requisition all the

musical talent possible at League meetings.

5. That Junior Leagues be organized wherever practicable, in order that the children of the church may be thoroughly trained in church

work from the very beginning of their lives.

6. That, whereas, the State Epworth League Conference, in session at Houston, decided that the time had come to make an advance movement, and that the encampment so succe-sfully operated by other States should be undertaken by Texas League's; that we indorse this action of the State League' Conference in its determination to establish a permanent encampment for Epworth Leaguers, and pledge to it our sympathy and hearty support.

hearty support.
7. That J. W. Bergin be elected a member of the Board in place of J. G. Pollard, transferred.
G. E. GAMERON, President.

J. D. FORD, Secretary.

#### Report of Committee on Bible Cause.

We have received from the several districts of the Texas Conference as follows:

Houston \$11 85	Huntsville \$46 40
Beaumont	Palestine 29 50
Brenham 49 67	Tyler
San Augustine 21 70	Marshall 26 60

Your committee recommends that each pastor take a collection for this very worthy cause.

C. A. Tower, President.

#### Report of Committee on Temperance.

Since the day of our birth as Methodists, we have turned our hard against our common enemy—intemperance. We again declare our unswerving allegiance to the cause of temperance. From a mere handful a few years ago, we have grown to be a mighty host. Although not political, yet politicians are compelled to respect this mighty moral sen iment. The cry of the home for justice is heard above the croak of greed for bloody gold.

Six hundred of the nine hundred counties of the Southern States have urled the saloon from their borders. The prohibition sentiment has swept over this great State, leaving only thirty-eight counties wet. Fifty-eight partially dry, while in one hundred and forty-four counties the sale of intoxicating liquors is wholly prohibited. We rejoice to note that the evangelical ministry as a whole, and in some instances the Catholic clergy, has had a part in this marvelous advance.

We wish here to give credit to that noble band of workers, the W. C. T. U. To their efforts is due much of the splendid success achieved.

We heartily endorse the policy of the "Home and State," and the Texas Christian Advocate, toward the open saloon.

We would recommend that our ministers use only unfermented juice of the grape for sacramental purposes.

We would urge all of our ministers, especially young men, to refrain from the use of tobacco and other offensive and injurious narcotics.

W. W. Watts, Chairman. D. W. Gardner, Sec'y. J. E. Morgan, W. T. Fagan.

#### Report of Committee on Spiritual State of the Church.

The Church is the pillar and ground of the truth, the great, divinely ordained school of character, the field of Christian enterprise and the sphere of individual discipline and development. Her mission is to teach and to preach; to exhibit the fruits of righteousness; to promote the moral, spiritual, intellectual and physical well-being and progress of the entire race. She will endure to the end of time. All of every age and station stand in need of the means of grace which she alone supplies. The symbol of her genius is that of an angel whose speed is flight with trumpet to his lips, having the everlasting gospel to preach to all peoples, tongues and nations upon the earth. Through her word and work shall be realized the Kingdom of God, what time the will of God shall be done in every sphere of human life and in every land under heaven.

We rejoice that the activities and forth-putting of our Zion will justify the sayings that "Methodism is Christianity in earnest," is Christianity trying to be consistent, is Christianity, living, aggressive and victorious wherever she has laid the foundation of her faith and lifted the spire of

her hope.

Never in her history has Methodism shown greater signs of divine power working mightily within her towards divinest consummations than at this present time. Her forms may have been changed anon, but her fervor abides, and her former days were never better than these. The life of the Son of God is pulsing within her heart, and nerving her hand to every good work. And, taking a survey of our whole church, we are encouraged to know that the Methodism of the Texas Conference is marching in the foremost files, is catching the swing of holy conquest, and is rejoicing as a strong man to run a race.

The fusion of the Texas Conference into the one "Greater Texas Conference" has not hindered, but has heated our zeal into a flame which consumes us with a desire that our to-morrow be as this day, and much more abundant," in all the enterprises that make for the uplift and progress of our people. The fusion of the two conferences was signalized by the raising of \$16,000.00 for the Superannuated Preachers' Endowment Fund," and during the present session \$15,000.00 have been laid upon the

altar of Christian education.

A large number of our charges are paying 100 per cent, in excess of the past in the benevolent collections of the church, and many charges have paid up in full every assessment made on them for these interests. Many charges have paid in full every financial claim. Salaries have been increased, many new churches and parsonages builded, and every material interest of the church has gone forward.

All this is an index of the spiritual state of the church, and the fruit of a

larger and fuller life.

The spiritual life of the church is further manifest in the gracious revivals reported by almost every charge, and the many conversions and additions shown by our statistical tables. There have been 4.295 additions on profession of faith, and 2,414 adults and 1,297 infants baptized this year.

We give thanks to Almighty God for the spiritual awakening that has characterized the work of the year, and that has been conserved by the various organizations of the church that are in full working order, such as our Woman's Home and Foreign Missionary Societies, our Sunday-Schools, our City Mission Boards, and our Epworth Leagues and Church Schools, etc.

The prayer meetings have been increased in their attendance, many new family altars have been erected, and many of our new converts have been

trained to take part in the public worship of God.

But while there is much to encourage us, we are still deeply sensible of the fact that we have not done our whole duty anywhere or at any time. We have not brought all the tithes into the storehouse of God, nor has our success been commensurate with our opportunity and our ability. There are many waste places and desolate within our borders, where the people perish for lack of the gospel, both in the city and in the country. And there are still many who are so unconsecrated as to make the sin of our neglect at home a ground of opposing our duty to the heathen abroad—an excuse which the great Phillips Brooks said was only paralleled by the plea of the man who murdered his parents and begged the clemency of the Court on the ground that he was an orphan.

There are still many homes without a family altar, and the voice of testimony has died on many lips. There are many homes where no

church paper or religious books are read.

There are still 207 unhoused congregations. Brethren, let us courageously, patiently, faithfully and persistently press the battle. Let us forget the things that are behind, and "go on unto perfection." Let us pledge ourselves and God that the future, under the blessing of Him whose we are and whom we serve, shall be better, shall see greater fidelity and fuller service in spreading scriptural holiness over these hills and plains and prairies of Texas.

Resolved, That the Presiding Klders of this Conference be requested by this body to plan and execute evangelistic campaigns on their districts, having the pastors of the various charges to co-operate to this end by

helping each other in their revival services.

W. F. PACKARD, Chairman.

#### Resolutions of Sympathy for Rev. H. A. Hodges.

WHEREAS, Bro. H. A. Hodges has been greatly afflicted this year in the loss of his brother and family by the horrible death inflicted upon them by two negroes in Statesboro, Ga.; and,

WHEREAS, Notwithstanding his great grief, he resisted the efforts of an enraged mob of citizens to lynch the negroes, doing his best to maintain the orderly enforcement of the law. Therefore, be it Resolved, That we deeply sympathize with Bro. Hodges in his affliction,

and most heartily commend his heroic and Christly conduct in this matter, and his efforts to preserve the dignity of the law, and commend it as being the proper attitude of the church and its ministry in all such cases.

## Part 5.

#### MEMOIRS.

#### Rev. John A. Beagle.

Another name has been transferred from our Conference Roll to the roll above. Another break has been made in the ranks of our Brotherhood. Rev. John A. Beagle, D. D., after years of faithful service in the ranks of the noble band of itinerant ministers, passed to his reward March 15, 1904, in the parsonage at Franklin, Texas, where the last service of his useful life was rendered. He was born of Christian parents at Flat Springs, Kentucky, 1844. His father and mother were of the good old Scotch stock, and were among the early settlers of Kentucky, coming from Scotland. They were Christians of the old type and were deeply religious. Of the four sons born to them, three were called to be ministers of the gospel, and served well and faithfully their Lord. John A. Beagle, subject of this memoir, was converted and joined the Methodist Episcopal Church, South, when seventeen years of age. His conversion carried with it the call for higher service, and yet the consciousness of a lack of preparation for it. To get an education at his time of life meant much toil, labor and sacrifice, but undaunted by any of these things and blessed with an active and vigorous mind, he soon acquired sufficient knowledge to teach school, which he did that he might fit himself for the noble work to which he had been called. In the face of many difficulties and discouragements, he worked on until he had secured a good education. His call to preach was strong and clear, and answering that call he was licensed September 27, 1866, by a Quarterly Conference hold by Rev M. R. James. He was admitted on trial in the Illinois Con ference the same fall, and was admitted into full connection an ordained deacon by Bishop George F. Pierce. Oct. 16, 1870. Was ordained elder by Bishop McTyeire in 1874, and was transferred from the Illinois to the Missouri Conference, and was stationed at Gallatin for four years, and then he went to Chillicothe, where he remained two years. He was stationed at Fulton, one year; Columbia, two years; Richmond, four years; Hannibal, two years; Moberly, one year; St. Joseph, two years; Charleston, two years. It was here that his health

failed, and thinking that a warmer climate would restore his health, he was transferred by Bishop Hendrix to the East Texas Conference and stationed at State Line, Texarkana, where he remained two years. He was then sent to Crockett Station, remaining two years, and then to Jefferson, and at the close of his second year in this charge, the East Texas and Texas Conferences having been united by the General Conference, held their first session at Crockett, from which Conference he was appointed by Bishop Hendrix to Franklin Station. This was his last charge. He had entered upon his second year's labors, having been re-appointed by Bishop Duncan at the last session of our Conference which was held at Bryan. As was our brother's custom, he began at once to plan for the year's work, and his plans were well laid and he was working to them when the summons came. He had just closed a good revival in his church which was the very last work he did. Dr. Beagle was confined to his bed for nearly a month, and his sufferings were great, but not a word of complaint was heard from his lips. His presiding elder, in writing of his last illness and death, said: "I have never witnessed a more triumphant death than his. At times he would shout and praise God and say, 'The Lord is overpowering me with His presence. He comes without my asking; praise His name." When nearing the end, after days, weary days of waiting and suffering, he said to one of his preacher brothers who was by his bedside, "Tell my brethren that the Lord makes all my beds in my sickness." He died well because he lived well, and he rests from his labors. He was a preacher of far more than ordinary ability; there was no effort at display: his aim was to preach the gospel. This he did and did it well, He was happily married to Miss Anna Waples, of Liberty, Missouri, in 1877, who stood by him for more than a quarter of a century sharing his burdens and helping him in his responsible, yet glorious work to which he gave his life. Three daughters blessed this union, one had passed on to join the great company "that no man can number," the other two, with the stricken wife, wait in glad hope for the day when they shall meet him again in "our Father's House," where "God shall wipe away all tears." Our brother has gone, he has finished his course and has gained the crown. "Be ye also ready, for at such an hour as ye think not, the Son of Man cometh.' O. T. Hotchkiss.

#### Mrs. Mattie McKenney.

The subject of this memoir, Sister Mattie McKenney, was born in Baltimore, Md., Dec. 1, 1880, and died in Houston, Texas, June 1st, 1904. Her maiden name was Mattie Virginia Sinclair, and she was the oldest of six daughters born to Mr. and Mrs. Perry Sinclair, and was the grand-daughter of Robt. L. Dickey, who was a Methodist minister, and for several years secretary of the Pastor's Association of Baltimore.

She was married to Rev. S. Stephen McKenney, Sept. 16, 1903, in the home church in Baltimore, in which she and Bro. McKenney had grown up together. The bond that thus united them as man and wife was re-inforced by those which had existed from childhood.

How strange to us the hand of Providence that breaks such strong and tender bonds so soon: Sept. 16, 1903, a beautiful happy bride, June 1, 1904, the roses gone from her cheeks, the body in the cold embrace of death. But while her life was short and the fondest of earthly hopes were so soon broken, yet we are glad to give record to her beautiful life and her peaceful death. She was a highly cultivated, accomplished, Christian woman, and gave evidence both in life and in death of her faith in God. She lived in Houston but a few months, but the Methodism of the city went into sorrow at the announcement of her death.

After a service conducted by all the pastors of the city, her remains were conveyed to Baltimore, where she was laid to rest in the presence of a large company of sorrowing relatives and friends. May the consolations of the gospel be given to all those who mourn for this sweet and gentle spirit. E. S.

## Alexander Collegiate Institute, Jacksonville, Texas.

THE PROPERTY OF THE TEXAS CONFERENCE.

REV. W. K. STROTHER, M. A., President.

Literary teachers are all University graduates, with splendidly equipped teachers at the heads of the Music, Art and Elocution departments. This school proposes to do thorough work in every branch it teaches and to maintain a high literary standard. Both Boys and Girls are entered to its classes. The dormitory has recently been furnished with nice new furniture -only iron bed-steads are used, a system of water works installed and other needed improvements made. All practice piano are new. A new Main School Building is very much needed, and at this date (Jan. 25th, 1905), about \$10,000.00 has been secured in cash and subscriptions, which is approximately half the amount needed for our prospective building. The preachers and lay members in the bounds of the Texas Conference are urged to help raise the balance required. Rev. T. J. Milam, the financial agent, needs your hearty co-operation and some of your money.

If you want your Boys and Girls to have a thorough training under religious environments send them to
